

## DECLARATION OF TSCA COMPLIANCE

### TSCA Compliance Statement

On January 6, 2021, the U.S. Environmental Protection Agency (EPA) published final rules under Toxic Substances Control Act (TSCA) Section 6(h) to restrict the importation and use of five persistent, bioaccumulative, and toxic (PBT) chemicals.

The tables below list part(s)/product(s) which **do** and which **do not contain** substances on the Toxic Substances Control Act (TSCA) list. These substances are:

- PIP (3:1), phenol, isopropylated phosphate (3:1), CAS 68937-41-7 (restriction date per originally published final rule: March 8, 2021).
- DecaBDE, decabromodiphenyl ether, CAS 1163-19-5 (restriction date per originally published final rule: January 6, 2021).
- 2,4,6 TTBP, 2,4,6-tris(tert-butyl)phenol, CAS 732-26-3 (restriction date per originally published final rule: March 8, 2021).
- HCB, hexachlorobutadiene, CAS 87-68-3, (restriction date per originally published final rule: March 8, 2021).
- PCTP, pentachlorothiophenol, CAS 133-49-3 (restriction date per originally published final rule: March 8, 2021).

### Compliant TSCA Parts List:

| Part Number(s) | Description | Substance Present (If Applicable) | Exemption (If Applicable) | Concentration (% w/w) (If Applicable) |
|----------------|-------------|-----------------------------------|---------------------------|---------------------------------------|
|                |             |                                   |                           |                                       |
|                |             |                                   |                           |                                       |
|                |             |                                   |                           |                                       |
|                |             |                                   |                           |                                       |
|                |             |                                   |                           |                                       |
|                |             |                                   |                           |                                       |

### Non-Compliant TSCA Parts List:    N/A

| Part Number(s) | Description | Substance Present (If Applicable) | Exemption (If Applicable) | Concentration (% w/w) (If Applicable) |
|----------------|-------------|-----------------------------------|---------------------------|---------------------------------------|
|                |             |                                   |                           |                                       |
|                |             |                                   |                           |                                       |
|                |             |                                   |                           |                                       |
|                |             |                                   |                           |                                       |
|                |             |                                   |                           |                                       |
|                |             |                                   |                           |                                       |
